

Giacomini Fitting and Parts

1. Multilayer Pipe, R999

Multilayer pipe PEX/Al/PEX for domestic water and heating/cooling systems

PIPES IN COILS

Product Code	Size
R999Y124	16 x 2
R999Y133	18 x 2
R999Y183	32 x 3
R999Y173	26 x 3

2. Modular Manifold with Shut-off Valves, R53VM

Modular manifold with shut-off valves with manual handwheel, with quick connection, with outlets with base or Eurocone adaptor connections.

Optionally is possible to replace the handwheels with R478, R478M, R473, R473M thermo-electric actuators.

- DN32: outlets centre distance 50 mm.
- Temperature range: 5÷110 °C
- Max. working pressure: 10 bar

Product Code	Size
R53VMY006	DN32 x 18
R53VMY106	DN32 x 3/4" Eurocone

3. Modular Manifolds with Lockshield, R53MM

Modular manifolds with lockshield and flow meter (scale 0,5-5 l/min), with quick connection, with outlets with base or Eurocone adaptor connections.

- DN32: outlets centre distance 50 mm.
- Temperature range: 5÷110 °C
- Max. working pressure: 10 bar

Product Code	Size
R53MMY006	DN32 x 18
R53MMY106	DN32 x 3/4" Eurocone

4. Start and End Module of Modular Manifold, R53MT

Start and end module of modular manifolds with lockshield and flow meter (scale 0,5-5 l/min), with quick connection, with outlets with base or Eurocone adaptor connections.

- DN32: outlets centre distance 50 mm.
- Temperature range: 5÷110 °C
- Max. working pressure: 10 bar

Product Code	Size
R53MTY006	DN32 x 1" x 18
R53MTY106	DN32 x 1" x 3/4" Eurocone

5. Straight Fitting, RM102

Straight fitting, multitong connections for plastic or multilayer pipes. For plumbing systems.

Product Code	Size
RM102Y003	16 x 2
RM102Y007	20 x 2

6. Membrane Safety Valve, R140C

Membrane safety valve for solar thermal systems, female-female connections.

- Use with hot water or glycol solutions (max. 50 %).
- Temperature range: 5÷160 °C.
- Nominal pressure: 10 bar.

Product Code	Size
R140CY006	1/2" x 3/4" - 4 bar
R140CY009	1/2" x 3/4" - 6 bar

7. Plug, R592D

Plug for manifolds, with self-sealing.

Product Code	Size
R592DY004	3/4"
R592DY005	1"

8. Thermostatic Head, R470

Thermostatic head with liquid sensor,

- CLIP CLAP quick connection system for installation on all the "TG, D, F series" valves with thermostatic option.
- Adjustment positions from * to ☼, corresponding to a temperature range of 8÷30 °C.
- Temperature range in combination with the valve bodies: 5÷110 °C.
- Max. working pressure in combination with the valve bodies: 10 bar.

9. 90° Elbow, R572R

90° elbow fitting with wall support, female thread and base adaptor connections.

Product Code	Size
R572RY002	1/2" x 16
R572RY003	1/2" x 18

10. Filling Valve, R150B

Female x male filling valve, plastic coated tail piece.

Product Code	Size
R150BY103	1/2"

11. Self-Sealing End, R554D

Self-sealing end piece for manifold, with:

- Nr.1 R592D
- Nr.1 R88I 1/2"
- Nr.1 R608 1/2"
- Nr.1 R540 3/8"
- Nr.1 R92 1/2"

Product Code	Size
R554DY005	1"
R554DY006	1 1/4"

12. Lockshield, R16

Radiator lockshield, corner shape. Lockable and adjustable according to the diagram.

- Max. Working temperature: 110 °C
- Max. Working pressure: PN10

Product Code	Size
R16Y002	3/8"
R16Y003	1/2"

13. Angle valve with thermostatic option, R401TG

Angle valve with thermostatic option, chrome plated, iron pipe connection and self-sealing tail pieces. With cover to protect the body before assembling.

Product Code	Size
R401X132	3/8"
R401X133	1/2"

14. Straight Fitting, R180M

Straight fitting, brass finish, male thread and copper pipe connections.

Supplied with double O-Ring:

- black color for plumbing systems in accordance with EN 681-1 standard;
- yellow color for gas and liquid hydrocarbons systems in accordance with EN 549-EN 682 standard.

Product Code	Size
R180MY115	1/2" x 16
R180MY107	3/8" x 16

15. Thermo-electric actuator, R473

Thermo-electric actuator, normally closed. Cable length 1 m. With new high efficiency thermo-electric sensor. Can be used to replace the manual handwheels on manifolds.

Product Code	Size
R473X221	230 V
R473X222	24 V

16. Adapter, R179A

Adapter for copper and mild steel pipes, plastic pipes and multilayer composites

Product Code	Size
R179AY001	18x16x2
R179AY053	16x16x2

17. Manifold Bracket R588D

Metallic bracket for DN32 modular manifolds in R500, R502 cabinets.

Product Code	Size
R588DY001	For DN32 modular manifold
